

## MAKERS MARKETS

PROMOTING LOCAL ARTISTS/MAKERS

Our monthly Wee Fair at Tynninghame Hall is a showcase for local artists and makers. Held on the last Sunday of each month, the original work includes jewellery, wood, glass, ceramics, textiles, home furnishings, upcycled furniture, and artwork - come along and discover exciting new makers.

## JOIN OUR COMMUNITY

MAKING CREATIVE CONNECTIONS

### BECOME A MEMBER

**Maker members:** artists/makers wishing to sell and promote their work

**Community members:** volunteers, participants and the wider public

### OUTREACH WORK

We work with partners to deliver arts & crafts workshops. These have included Fringe By The Sea, East Lothian Council Arts Service, schools, Haddington 700, Haddstock and Blooming Haddington. This allows us to develop a wider network and deliver work that is not building-specific.

### ONE TO ONE TUITION

Our two resident artist-makers, Fiona Lambert and Fiona Maher, are available for 1:1 sessions on visual arts and upcycling. You can find out more and book slots on our new website.

### COMMISSIONED WORK

We take on a range of commissioned work to meet individual needs and requirements from upcycled furniture to bespoke artworks.

## ARTS AWARD PROGRAMME

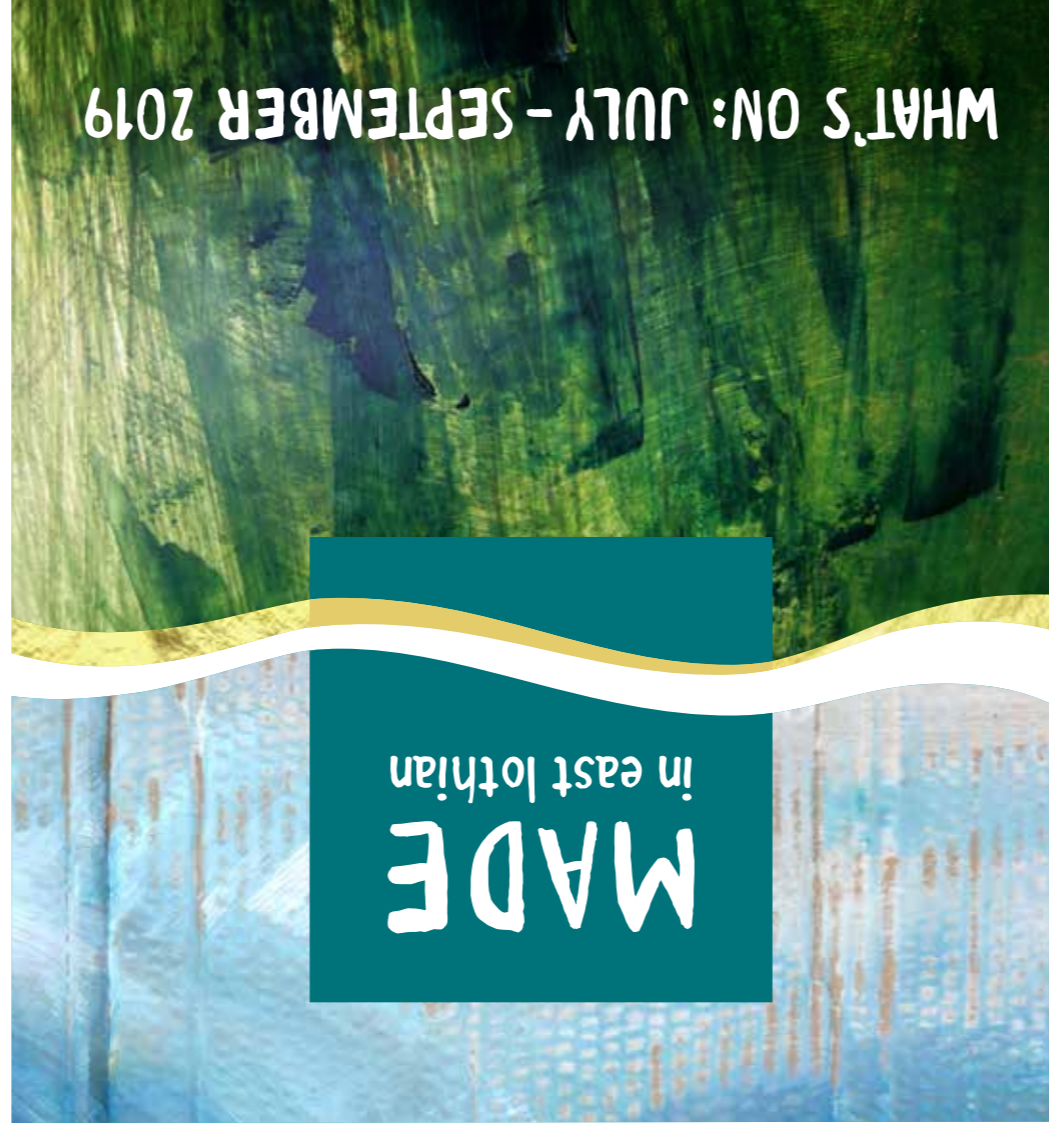

We have recently become registered to deliver the nationally accredited Arts Awards programme, a unique qualification that supports young people aged 11- 25 to develop arts-based skills from participation through to leadership.

The Award is offered at different levels from Discovery through to Gold and can be aligned with current work or projects that young people are involved in or doing themselves.

The Awards cover all artforms and offers the opportunity to achieve an accredited qualification (the Gold Award counts for 16 UCAS points). We are keen to work in partnership with other organisations and would welcome the opportunity to meet and discuss this if you have partnership ideas.

You can read more about the Arts Awards at [www.artsaward.org.uk](http://www.artsaward.org.uk).

WHAT'S ON: JULY - SEPTEMBER 2019

## MADE IN EAST LOTHIAN

SUPPORTING ARTISTS, MAKERS AND THE WIDER CREATIVE COMMUNITY IN EAST LOTHIAN

### THE HUB:

A COMMUNITY FACILITY WHERE YOU'RE ALWAYS WELCOME FOR A CUPPA!

Our premises on Haddington's Hardgate offer a mixed-use venue and a centre for creative reuse of donated materials.

We also provide regular sessions for adults with additional support needs and mental health issues.

**MAKERS GALLERY:** our retail area is a showcase for local artists and makers. Browse and buy original work, or we can help you commission bespoke projects.

**WORKSHOP SPACE:** our versatile space is used for community group meetings as well as our daily programme of workshops and drop-in groups at affordable prices (open up for the April - June programme).

**COMMUNITY SHED:** this project offers an opportunity for people to come together and develop new skills. Started in partnership with STRIVE, it engages in community based projects such as creating raised planting stations for people with disabilities, cutting and finishing wooden shields for the Haddington 700 tournament and commissioned projects and repairs.

**INK STATION:** our small printmaking facility accommodates relief and intaglio printmaking with a flat bed printmaking press and inking-up materials. 1:1 and small group tuition is available.

**COMMUNITY GROUPS:** the regular groups that meet in the Hub have evolved in response to demand, and are an essential part of the MADE community. **Knit and Natter** meet on Wednesday mornings, **Sew Social** on Thursday mornings and the popular **Hub Art Club** on Friday afternoons during term time. We also host **New Beginnings Club** on alternate Mondays where they are exploring a range of new arts & crafts skills.

**UPCYCLING & REUSE:** the reuse of donated furniture and materials which are used in projects or upgraded for resale is essential to the success of the Hub. Thursdays have a particular focus on upcycling with our sew social group, regular 1:1 tutored furniture projects and the Shed group. The open access workspaces are available for rent for individual projects with use of donated materials.

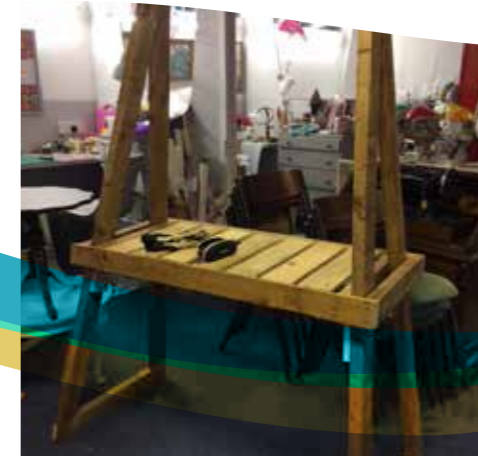

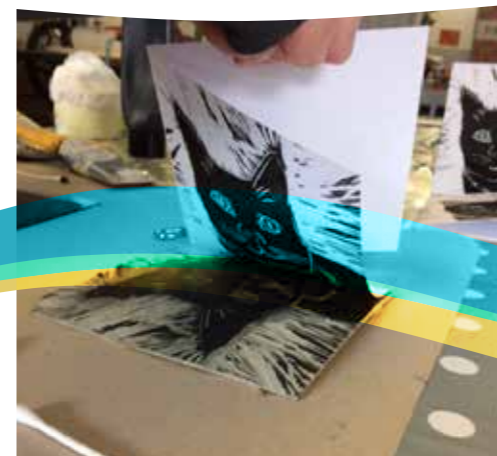

MADE in East Lothian CIC: 553217
